## EXPERIENCE

**VCU Department of Photography and Film**, Richmond, VA

2015 – Present

**Lead Film Camp Instructor (Seasonal)**

- Developed and created lesson plans to middle school-aged students on pre production, production, post production, and the history of film in the span of two weeks
- Encouraged and guided students in writing, filming, and editing each of the annual four films

**Freelance Videographer and Photographer**, Glen Allen, VA

2013 – Present

- Organized meetings with clients to storyboard and draft up promotional material
- Produced and digitally edited video and photographic content for companies and institutions
- Efficiently edited and distributed a client's content for the web

**Grace and Hope Academy**, Petersburg, VA

2018 – 2019

**Photography and Film Teacher**

- Diligently created lesson plans and taught the history and basics of photography and filmmaking to elementary and middle school students, including students with specialized learning needs
- Oversaw and guided students in group writing, filming, and editing a class film

**Axiom Educators**, Richmond, VA

2018 – 2019

**Tutor**

- Successfully tutored students during school hours in select Virginia Title I public schools
- Effectively taught and remediated students to increase test scores as well as improve studying skills

**Mad Science of Central Virginia**, Glen Allen, VA

2014 – 2018

**Senior Instructor | Office Manager | Event Coordinator**

- Taught Pre-K to 8th-grade students lessons in science using Mad Science curriculum, including students with specialized learning needs
- Effectively taught coworkers on Mad Science curriculum, safety procedures, and scientific equipment
- Engaged and networked with numerous educational communities and institutions by tabling events to promote the Mad Science brand
- Coordinated and scheduled Mad Science events, shows, and school programming
- Created accurate weekly work schedules for employees
